NOTE:—(i) The unallocated amount (Rs. 10204 crores) includes offshore and other investment of Rs. 5500 crores in the Petroleum Sector.

(ii) The total Central Plan expenditure during the Sixth Plan was Rs. 57800 crores. The break-up available in the statement is (including the unallocated portion, for Rs. 57664 crores).

(iii) The data had to be compiled in a short time from a number of sources. A more precise and detailed Plan wise compilation has been taken up in consultation with the Ministries; that will take considerable time.

(iv) As Central Plan investment is not planned or accounted State-wise, some assumptions have been made in attempting such a break-up. While they seem to be best possible assumption to base such an exercise as, their validity is certainly of a limited nature. Some examples are given below:—

(a) Railway investments on new-lines, guage conversions and electrification have been broken up State-wise based on approximate length completed in each State.

(b) The remaining 80 per cent of Railways' Plan has been allocated to different States on the basis of route Kilometres falling in each State.

(c) Expenditure on purchase of aircraft (Civil Aviation Plan) has been allocated on the basis of the number of landings in each State.

(d) Expenditure on Air India on acquisition of aircraft has been allocated to four international airports on the basis of traffic handled by these Airports.

(e) Regarding Shipping, the State-wise allocations, have been done on the basis of traffic earned by the major ports in each of the maritime States.

(v) As Central investment in projects is mostly in areas where the necessary economic factors are in optimum availability, the objective of regional balance can have only limited relevance in such cases.

(vi) Housing & Urban Development includes provision for six schemes only. For HUDCO the total plan outlay was Rs. 50 crores. The actual releases amount to Rs. 675.87 crores. This is due to market borrowings of the HUDCO. Besides information on Stationery & Printing is still awaited.

Setting up of a Branch of E.C.I.L.

1583. DR. R. K. PODDAR: Will the PRIME MINISTER be pleased to state:

(a) what is the turn-over of Electronics Corporation of India Ltd., Hyderabad during 1987-88;

(b) whether there is any proposal to set up its branch in the country;

(c) if so, what are the details thereof; and

(d) if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS AND SPACE (SHRI K. R. NARAYANAN): (a) Anticipated turnover during the year 1987-88 is Rs. 160 crores (net exclusive of taxes & duties).

(b) ECIL carried out manufacturing operations at Hyderabad, Tirupathy and Aurangabad. However, there is no proposal at present to set up a branch at any other location.

(c) Does not arise.

(d) Existing market can be served by the present set up.
